Player and Parent,

You do not have to buy all of this stuff. I am offering it to you so that you can have access to the discounted price. Football players must purchase game cleats along with the shorts, shirt and girdle. Each player will also need game socks and I have provided a pack of six you can purchase.

Please fill out the following information below and return it to me ASAP. A parent and player must sign this. We will bill your account.

If you have any questions don't hesitate to contact me!

The discounted price ranges from 10-30 dollars off on all products. I have added two dollars to the price quoted to me in case screening prices are not accurate. This is about 10 dollars extra a person depending on what you buy. If there is money left over, it will be put back into the program.

If I can't read your writing you won't get anything or you will get wrong number *Please list items specifically.
